

Privileges Request Form

I am requesting the specific privileges marked below. I understand that I may request additional privileges, or privileges in another Clinical Department, at any time. I also understand that the granting of these privileges is subject to verification of proficiency by the Chair of the Department, the Credentials Committee of the Medical Staff, and/or any other person or body appropriately designated under the Bylaws, Rules and Regulations of the Medical Staff.

I understand that in an emergency (any situation in which any delay in administering treatment would result in serious harm to the patient or an immediate threat to the life of the patient), I am authorized to treat any medical disease and/or perform any medical or surgical procedure indicated that is within the scope of my license.

Optometry: Requiring a level of training generally associated with persons who have completed a formal graduate program in Optometry.

Orthoptics: Requiring a level of training generally associated with persons who have completed a formal graduate program in Orthoptics.

Courtesy Providers: Courtesy providers who do not meet the activity levels for maintenance/renewal criteria for particular privileges may submit – from their primary practice location—either;

A.) A peer reference from the service Chief or Chair attesting to clinical competence in the requested privileges, or

B.) Case logs of clinical activity from their primary practice location.
